

IMPORTANT Information for ALL Entrants in the Nationals Lure Coursing event:

As you are aware we didn't get the ring times we expected. Our options were limited. Here is the updated Lure Coursing times as promised.

We have made many phone calls within the committee and to the appropriate officials and have made some very hard decisions. When we decided on the following schedule we took into consideration those dogs that are not only lure coursing but showing in the conformation ring. If you have any questions or concerns please contact me, Chris Allen- Lure Coursing Secretary, at: atairacres@sbcglobal.net
The new time schedule for lure coursing on Friday Sept. 24th will be:

ASFA

Day of show entries taken: 7:00 to 7:20 am
Roll Call at 7:30 am
Start running by 8:00 am

AKC

Day of show entries taken: 8:30am to 10 minutes after the last QC run
Roll Call for JC/QC "Test" Entrants: 10:00 am
Roll Call for "Trial" Entrants: 10:20 am
Start running JC/QC Dogs: 10:30 am or as soon as the ASFA trial ends
Start running "Trial" 15 minutes after JC/QC dogs finish
We will break at 12:30 pm to let the dogs rest prior to showing in Conformation.
If we do not finish the trial before breaking we will continue the trial 45 minutes after Best of Breed competition.

We have a *record breaking entry for the ASFA and AKC lure coursing event. So, in order to accomplish this we will need the cooperation of ALL exhibitors and help from any person that can lend a hand at the lure coursing event.
